IncomeMAX  
the entitlement experts

# Want to come off benefits and into work? Are you already in work and need to make sense of your entitlement?

## You need EmploymentMAX

EmploymentMAX provides expert in-work calculations and advice to help people to move into and stay in work

Brought to you by IncomeMAX, the entitlement experts, EmploymentMAX is a unique, comprehensive, personalised work-related benefits & tax credits advice solution, providing tailored expertise on important issues such as:

- calculating working hours/expected wages
- trying work out through permitted work or volunteering
- getting help with childcare
- claiming tax credits
- back-to-work schemes/payments
- getting help with your rent and council tax
- needing to re-claim if work stops
- making sense of benefit and tax credit changes after your first year in work

EmploymentMAX  
assessments  
start at just  
£30 inc VAT

EmploymentMAX entitlement checks are provided by our London-based team of experts.
